### To whom it may concern

The CNS Manager of ANA Luxembourg declares the following:

An Invitation to Tender (ITT) was issued by Luxembourg Air Navigation Service Provider (ANA) for the procurement of three NDB's in full compliance with ICAO Standards (Annex 10).

After a detailed evaluation of the Tender Proposal, the Contract has been awarded to System Interfaces.

The supply, the installation and start of operation of the three NDB's have been successfully performed. Extensive Site Acceptance Tests (SAT), operational trials and validation of the three NDB's has been carried out without any decrease of requested performance.

System Interface Ltd. offers top-notch quality, service and delivering on time within budget.
