Equipment Model No.: VR500D
Power Level: 500W

TO WHOME IT MAY CONCERN

Systems Interface supplied a Nautel Vector VR500 Dual Systems with associated equipment's in July 2011 to Sakaeronavigatsia in Georgia.

We confirm that the above mentioned equipment is currently in operation at Mestia Airport, and meets the requirements stipulated in contract no. NAS/20/05/10.

We would have no hesitation in recommending the Vector VR500 500W system to potential customers.

Yours Faithfully,

Giorgi Edisherashvili
Director
